

Good Afternoon all Mustang Families

Registration for the 2021-2022 season is now open. We are very much looking forward to a return to hockey. Although OWHA has not outlined what the season structure will look like, the association has been busy getting ready. Stay tuned for some exciting developments and opportunities in the coming months.

**FEES:**

You will notice at the time of registration there is no charge. This season's fees will be set and communicated once the ice allocations have been confirmed. We are expecting fees to be similar to prior regular years.

Although there are currently no try-outs scheduled, there will be a selection process. If you'd like your player to play in the Competitive program, please sign them up accordingly. Once there is clarification from OWHA, we will sort out the "try-out" process in accordance with OWHA policy.

**VOLUNTEERS:**

Our local league program is looking for coach, assistant coach and trainer volunteers. If you are interested in supporting your daughter's team in one of these roles please let the association / registrar know. Having interested individuals registered will help speed up setting up the teams once September arrives.
